

## Storybook Bible and Bible Suggestions

Below are some suggested storybook Bibles (Bible stories translated by authors in their own words) and Bibles, including a suggested age range. There are many more great ones available, too. Amazon.com, Cokesbury.com, Christianbooks.com, barnesandnoble.com and lifeway.com are all great resources for purchasing.

- *Deep Blue Bible for Kids* – 1st grade and up
- *Stories from the Bible* by Kathleen Long Bostrom – 1st grade and up (This new storybook Bible only has 17 stories. They are longer in length than most storybook Bibles. Beautifully written but will not have many of the stories we will provide.)
- We encourage you to use any Bible. St. Luke's primarily uses the NRSV Bible in our worship services. If your child received a Bible from Dr. Pace in the 3<sup>rd</sup> grade, it is a NRSV. We primarily use this version in 3<sup>rd</sup>-5<sup>th</sup> Sunday School. We occasionally use the *Easy-to-Read Children's Bible* or the *Deep Blue Bible for Kids*.
